<u>Contains</u>	<u>Function</u>	<u>Remarks:</u>															
Fragrance	Scent	Meet with IFRA, RIFM Regul.															
Preservative	Antioxidant																
Ceramic Absorbent	Absorbent/Fragrance	Recyclable															
Refill Package	Package	Made of Aluminum, Recyclable															
<p>(3) Hazard Identification</p> <p>Principal hazards      Harmless to human under ordinary use</p> <p>Specific risks            None</p> <p>Labeling                 None</p>																	
<p>(4) First Aid Measurement</p> <p>Inhalation                Not relevant</p> <p>Ingestion                 Not possible to ingest</p> <p>Skin contact              Safe, however washing by soap recommended</p> <p>Eye contact               Under normal use not foreseeable</p>																	
<p>(5) Fire Fighting Method</p> <p>Extinguishing medi: Use standard fire distinguisher</p>																	
<p>(6) Accidental Release Measures</p> <p>Individual Precauti: No special protection required.</p> <p>Environmental prote: Abandon after use.</p> <p>Cleaning method        : No special way.</p>																	

(7) Handling and Storage	
Handling precautions	No special demands
Storage precautions/conditions	Keep products under 30 degree C preferable
(8) Exposure controls and personal protection	
Arrangement of the workplace	No special demands
Personal protection	No special demands
(9) Physical and Chemical Properties	
Appearance	Liquid on ceramic
Color	Based on the color of fragrance
Odor	Good Fragrance
Solubility	none
(10) Stability and Reactivity	
Stability	Stable
Hazardous reaction	Non
(11) Toxicological Information	
Acute toxicity	Basically all ingredients are safe
Skin irritation	Not irritating
Inhalation	Not known under normal use
Eye contact	Not known under normal use
Ingestion	Not known under normal use
(12) Biodegradability	
	None.
(13) Disposal Considerations	
Product	Landfillable
Packing	Empty packing can be recycled
(14) Transportation	
	No particular regulation
(15) Regulatory Information	
Labeling	No dangerous labeling required
